

God is doing such an incredible work here in the Gainesville/Hall County Area through the ministry of the Fellowship of Christian Athletes.

In the past several months, we have seen many students pray to receive Jesus Christ as their personal Lord and Savior. AMEN!!! We have seen students accept Christ in school libraries, gyms, and theaters. Others have prayed in locker rooms, on playing fields, before and after games, and even on the back of a pick-up truck. Some were at FCA Camps or at their schools FCA Huddle meeting. Students have asked Jesus to save them after hearing a testimony from a teacher, coach, or another student. Or maybe it was because of a powerful message from a visiting youth pastor. Some were led by coaches, by FCA staff, or by fellow students who weren't afraid to share. Whatever the means, whomever the vessel, the end result is the same, they found Jesus! A young soul, bound for Hell, miraculously rescued by the saving power of the Gospel. Our young people are searching and **FCA offers them the awesome opportunity to meet JESUS in the one place that they ALL must attend...our schools.**

Please prayerfully consider helping us continue the fight, while we still can. **For just \$25 a month (\$300 a year),** you can become an **FCA Home Team Member.** Our goal is to find 400 new people, out of the 190,000 within the Gainesville/Hall County area, who share the same vision and passion as we do...To see Gainesville/Hall County impacted for Jesus Christ!
